A lease must show the rental dates, owners name, renter's name, and map and lot number of the property.

Car Sticker: Sold to residents or renters, allows parking for one vehicle, on a space-available basis, and beach access for occupants of the car. Stickers must adhere to the car window on the driver's side of the vehicle at time of purchase. **STICKERS ARE NOT TRANSFERABLE FROM ONE VEHICLE TO ANOTHER.** Please have the license number of the vehicle available when purchasing your sticker. Any tampering with or altering of the sticker may result in revocation of beach privileges. *The Town of West Tisbury will not issue any permits - including beach permits - to anyone who owes delinquent taxes to the town. Walk-on Passes: Sold to residents or renters, allowing beach use but not parking in the Lamberts Cove parking area. Passes are valid for 1 adult and their children. Children under 12 must be accompanied by an adult. Mopeds & motorcycles may use a Walk-on Pass but must park outside of the lot. Bicycle parking is available. M.V. Transit Authority will provide bus service to Uncle Seth's Pond and Lamberts Cove Beach. Please see the shuttle bus schedule for times, fares, and further route information.

Commercial Passes: Inns or Guest Houses in West Tisbury may purchase passes at the commercial rate for the number of rooms within the establishment. New Inns and Guest Houses must apply to the Parks & Recreation Committee for commercial status.

Beach stickers and passes are NONTRANSFERABLE from homeowners to renters, or between renters; each rental party must purchase their own sticker/pass that will be valid for the term of their lease. Only one sticker per property will be issued at any given time. If you are renting a house and arrive on the island after the close of sticker sales for that day, you may take your lease to the beach parking lot attendant, and you will receive a pass that will enable you to use the beach for that day only. You must get a sticker or pass from the shed attendant for further beach access. No one-day stickers or passes will be available. Stickers for the Trustees' beach at Long Point Wildlife Refuge will be sold by the Trustees at the Long Point gatehouse. For more information regarding these stickers, contact the gatehouse at 693-7392.

Replacement stickers are available to purchasers as needed due to change (sale) of vehicles. The old sticker must be returned to the sticker seller and a new sticker will be issued at no charge.

Any requests for special consideration regarding beach stickers must be made in writing to the Parks & Recreation Committee, P.O.Box 278, West Tisbury, MA. 02575. 508-696-0147
