

Weigh In on West Tisbury

The West Tisbury Board of Selectmen, the Finance Committee and the Treasurer want and need the opinion of West Tisbury voters on the vital matter of the Town's finances, particularly given the current economic climate. Is the budget growing too rapidly? Are enough services being provided? What capital expenditures are planned for the next few years? Is your tax money being well spent?

The West Tisbury Board of Selectmen, the Finance Committee and the Treasurer want to know what you think about these and other financial issues. So, we are inviting the voters of West Tisbury to a public forum at Howes House on April 4 at 10 a.m. Come share coffee and opinions on the Town's finances with the Selectmen, Finance Committee and Treasurer.

The Town's health depends on the input of its citizens. It's time to make your voice heard. Help keep West Tisbury healthy!
