

PRESENT: David Merry, Erik Lowe, Tim Barnett and John Powers

WELLS APPROVED: Kenneth Vincent 31-102.1 and Jerome Kenny 26-12.4 (irrigation only)

DWA APPROVED: George Szakacs 30-2.63 (change of owners name)

DWA PLAN REVIEW: The applications for Michael Jampel 31-121 (Building # 1) , Michael Jampel 31-121 (Building #2) and Michael Jampel 31-121 (Building # 3) were taken under advisement pending additional information regarding the common well and floor plans for each building.

TITLE 5 INSPECTION REPORTS Filed: Edwin Sibert et. Al. 3-7, PEBCO, Inc. 22-54, Susan Austin 17-126

LANDFILL/REFUSE DISTRICT: Solar batteries installed by E. Mendenhall. Heater installed and is ready for cold weather. John received a Follow-up call from DEP regarding growth on Landfill Cap.

EMERGENCY MANAGEMENT: John reported on the Traffic plan prepared by Peter Martell, which appears to be using the High School as its Summer time EDS site and not a regional site as agreed to by the six towns and the MDPH. John discussed the coalition Deliverables for 8/10/08-8/9/09.

OLD/NEW BUSINESS: John reported on the latest flu advisory which recommends that children between 6 years of age and 18 receive a Flu shot annually. Maciel & sons was ticket for pumping without a permit at Map 22 Lot 54. Town counsel has approved the documents as submitted for a new well to serve 22-21.2 & 22-21.1. More e-mails received from music street homeowner regarding the Block rental property. No plan yet received from Vineyard Gardens 16-103 about the drainage plan. The Board approved the Agents request to carry-over his vacation time. There was a discussion regarding office coverage when other employee's move into the building.

BATHING BEACHES: The agent will continue to test Seth's and Ice House until the weather turns colder.

PERMITS: Up-Island COA satellite kitchen
