

PRESENT: Tim Barnett, Eric Lowe, David Merry and John Powers

WELLS APPROVED: Peter D'Angelo 10-203 (Emergency replacement)

DWA APPROVED: David Fielder 21-13, Vickie Thurber 16-101, John McDonald 29-31, Jerome Segal 30-2.1, Mary Knight 11-46.2.

TITLE 5 INSPECTION REPORTS FILED: Jack Schwager 7-48 and Kurt Freund 7-143

LANDFILL/REFUSE DISTRICT: Tim gave a brief update of the Island Waste Committee progress; information packets with proposed changes should be available shortly. The Board reviewed the monthly LDO.

EMERGENCY MANAGEMENT/FLU: John updated the Board members regarding changes to the annual flu clinic being held on November 11th. The planning committee is proposing 8 drive through lanes in two locations on the high school property

OLD/NEW BUSINESS: The Board reviewed the Allergen Awareness regulations sent to all food establishments. Tim reported on the site visit for a noise complaint at Keene's 16-248 from neighbors Henry Kudish and Helene Brown. Tim stated the use on the property has not changed but some of the equipped may have and he feels that the noise level hasn't increased. There will be a zoning meeting with all interested parties October 21st. The town lawyer has requested recent photo's of the property. John said there have been some recent cleanup and a dumpster on site. The Board reviewed the recent water tests at 12 Coffins Field Road showing low levels of PCE. John reported on the recent DON meeting. John is working with the school on the lunch program. The Island Boards of Health are sponsoring a hoarding work shop with Dr. Christina Bratiotis from Boston University. John discussed the Town Hall water situation and will continue to do what ever is necessary to ensure it is potable and in compliance with DEP. John discussed proposed changes in Title 5. John reported on the progress at the Gray property 25-18.11.

PERMITS: The Board reviewed the incomplete winter Farmers Market applications.
