

WEST TISBURY HISTORIC DISTRICT COMMISSION

MEETING MINUTES

Date of Meeting: October 5, 2004

Attending: Sean Conley, Lanny McDowell, Nancy Dole

Also Attending:

Absent: Marcia Cini, Mark Mazer, Anne Fisher

Meeting convened at 5:30 PM.

Allen Whiting seeks to replace his greenhouse, which is aged, on the rear south side of his home, with a new greenhouse, similar but with a slightly larger footprint and of better quality than the present structure, which is in very poor condition. A site visit determined that the project is not visible from the public road, because of an existing fence, and is moreover insubstantially different from what is already there. A certificate of non-applicability was therefor granted.

Linda Benoit has withdrawn her application, which was approved on Feb 9, 2004 pending the submission of drawings reflecting the conditions attached. No drawings were submitted, and the application has been withdrawn.

Meeting adjourned.

Respectfully submitted by

Nancy Dole, Secretary
