Meeting convened at 5:30 PM.

Worked on Design Guidelines brochure. Sean and Lan submitted drafts.

The Morses submitted an application for a proposed barn door to replace picture window on Old County Road, The Red Barn. Abutters have signed off on a hearing. We asked them to submit better drawings of what they were proposing and scheduled a hearing for March 7, 2005.

Dianne Powers came to ask if she needed to apply for construction of a run-in shed for her horse, and temporary fence with wood corner posts and mesh electric tape, both visible from Music Street. Fence is temporary and does not require a hearing, shed does. She will submit plans when she is ready.

Meeting adjourned.

Respectfully submitted by

Nancy Dole, Secretary
