

# WEST TISBURY HISTORIC DISTRICT COMMISSION

## MEETING MINUTES

Date of Meeting: March 7, 2005

Attending: Sean Conley, Lan McDowell, Nancy Dole, Anne Fisher, Mark Mazer

Absent: Mark Hutker, Marcia Cini

Also Attending: Robin Nagle, representing the Red Barn; Linda Hearn

Meeting convened at 5:30 PM.

Linda Hearn wondered if it was necessary to apply for a certificate to change the appearance of the side of the garage facing State Road, Emily Magnuson's property. Although it is behind the house, it is visible, so it will be necessary to apply.

We approved unanimously the Morse application for the barn door, with contingencies. The door was already built, and we asked them to make the following changes by June 15<sup>th</sup>:

- Remove valance

- Add door trim down the center, 2 vertical boards equal in width to outer vertical trim, to give appearance of swinging doors

- Paint the door and trim white, filling in holes

- Beef up the center lock rail and the lower rail proportionally, add another board thickness to both for a more traditional look.

Meeting adjourned.

Respectfully submitted by

Nancy Dole, Secretary
