

WEST TISBURY HISTORIC DISTRICT COMMISSION

MEETING MINUTES

Date of Meeting: April 4, 2005

Attending: Sean Conley, Nancy Dole, Mark Mazer, Marcia Cini

Absent: Mark Hutker, Lan McDowell, Anne Fisher

Also Attending: Glenn Hearn

Meeting convened at 5:30 PM.

Approved Morse (Red Barn) Certificate of Nonapplicability for replacement of damaged awning with new canvas similar to what was already there.

Reviewed Glenn Hearn's project for Magnuson property on State Road. All abutters have waived their right to a hearing, so we proceeded to approve the plans unanimously.

New owners of Gifford House Store on the West Tisbury-Edgartown Road submitted a few different proposals for their plan to renovate it. They were looking for guidelines as to how to proceed. We feel it is historic in nature and should be kept as it is in size and appearance, and look forward to their application.

Joyce Spooner is redoing a garage on State Road in the district and wondered if we considered it visible from the public way. We did a site visit and it is visible, she needs to apply for a Certificate of Appropriateness.

Mark Mazer suggested we contact Patrick Ahearn about conducting an architectural walking tour of the district.

Meeting adjourned.

Respectfully submitted by

Nancy Dole, Secretary
