

WEST TISBURY HISTORIC DISTRICT COMMISSION

MEETING MINUTES

Date of Meeting: January 9, 2006

Attending: Anne Fisher, Lan McDowell, Sean Conley, Marcia Cini, Nancy Dole

Absent: Mark Mazer

Also Attending: Andrew Woodruff, Phyllis Meras, Bruce Keep

Meeting convened at 5:30 PM.

There were two applications to be considered, one for the Nessens and the other for the Congregational Church.

Sean has received phone calls from the Rodegasts and the Bessires, voicing their concerns about the Nessens' proposed stockade fencing. Andrew and Phyllis were present to voice concerns as well. Unfortunately the Nessens had not been notified of the time of the hearing, so we continued it to January 23rd, so that they could be present.

The First Congregational Church was asked to return on the 23rd as well, since they did not have any information about the gutters they wished to install, for example they did not know if contractor planned to put returns on the ends. We suggested if they did not want wooden gutters, they might look in to a company called "Classic Gutters" which makes aluminum gutters in various styles and widths, and might be an appropriate way to go. We also suggested they look at copper gutters, and revisit the idea of using wood gutters on the entrance along Music Street.

Meeting adjourned.

Nancy Dole, Secretary
