MEETING MINUTES

Date of Meeting: June 5, 2006

Attending : Ben Moore, Lannie McDowell, Nancy Dole, Sean Conley

Absent: Marcia Cini, Mark Mazer, Anne Fisher

Also Attending: Paul Garcia, Bob Schwier

Meeting convened at 5:30 PM.

We gave Paul some general guidelines for his sign, and continued the meeting to June 19 5:30 pm to give him time to have a computer mockup of the sign designed and presented to us.

Generally we decided the sign for the building can increase in size to 15" high by 94" wide is ok as long as it is centered so that there is a course of shingles between it and the trim everywhere. Times New Roman all caps is ok, 1 ½ inch burgundy painted border top and bottom with 12" yellow background middle and black lettering 8" high is ok, but specific colors must be approved and Bon Schwier is going to help Paul choose. Sign on building will read GARCIA'S DELI, sign on road will match building sign with color and type and will read GARCIA'S BAKERY 3 1/2" letters Deli – Pizzeria and some language about cakes pizza soup salad and no drawings. It will be the same size as what is presently there.

Patricia Kuehn submitted a preview of plans for proposed renovation of her house to Sean and we will check them for completeness and schedule a meeting for June 26th.

Meeting adjourned.

Respectfully submitted by

Nancy Dole, Secretary
