

WEST TISBURY HISTORIC DISTRICT COMMISSION

MEETING MINUTES

Date of Meeting: June 19th, 2006

Attending: Sean Conley, Lan McDowell, Ben Moore, Nancy Dole

Absent: Mark Mazer, Anne Fisher, Marcia Cini

Also Attending: Paul Garcia

Meeting convened at 5 PM.

Paul Garcia appeared with a new version of his proposed signs. ZBA rep has not yet seen colors. We decided that there would definitely be the condition attached, if we approve the sign, that "sign on building must be 5" from the nearest point of the sign to any trim". We told Paul that we could not approve his signs until he had provided us with an exact computer drawing from Ms. Patterson showing us point size and dimension of typeface(s), exact sample of paint colors and names, paint glossy or flat. Mr. Garcia said he was not in favor of 3-D effect he presented to us and would ask Ms. Patterson to remove it. Hearing was continued to June 26, 4:45 pm, before the hearing scheduled for 5pm, with exact plans for his signs.

Meeting adjourned.

Respectfully submitted by

Nancy Dole, Secretary
