

**WEST TISBURY PARKS AND RECREATION COMMITTEE  
MINUTES JULY 2,2003**

**PRESENT:** Lisa Amols, Rick Reinhardtsen, Bob Day, and Peggy Stone. Also present for part of the meeting; Joe Schroeder.

Minutes from previous meeting were approved.

Due to the high water and lack of beach space, the committee discussed moving swim lessons. Joe said parking and transition time would be a problem at Lamberts Cove and the sharp shells are a hazard at Sepiessa. The committee decided to keep swim lessons at Seth's and monitor them closely.

Joe requested Step 3 for Holly the swim instructor because she has three years WSI certification. Also, she would need to add one hour per day to accommodate all levels of children. Schedule would be M - Th., 9am - 1pm. The committee approved.

Beach Sticker sales are \$20,000 to date and \$215 for walk-on/day passes.

Peggy informed Town News section of the newspapers requesting people hold off from using Seth's during swim lessons.

Joe said an independent group is doing testing on Seth's and the Coca Cola stream as part of a study. So far it has tested clean. He will have the parking attendant help remind people swim lessons are in progress and to keep the area safe.

Plans continue for the Open House at the fire station on Wed. Aug. 20 from 6:30-8pm. The committee is looking for community input/ideas as to what programs and/or use they would like to see at the fire station- We will provide desserts and coffee etc. Bruce will have research project done for an information flyer.

Rick put up the dog disposal system on 6/21 and has had positive feedback from the community. He checked it on 6/28 things looked fine. He will check it regularly and replace bags as needed.

Bob and Bruce marked off the fence for the new opening. Peggy will call Chris Scott directly.

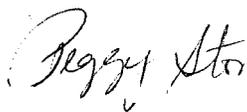

The ball fields and firestation have not been mowed yet. Peggy will follow up with Howard Wall.

The Committee will discuss new fee schedule for next year at a later date.
