

WEST TISBURY PARKS AND RECREATION COMMITTEE  
MINUTES MARCH 4, 2009

PRESENT: Rick Reinhardsen, Bruce Keep, Doug Bardwell, Cheryl Lowe and Peggy Stone. Also present for part of the meeting; Bea Pear.

Minutes from previous meeting were approved as submitted.

Bea came to discuss the playground at the new town hall. Mike Josefek; the project manager suggested that Scanlon could do the playground as a change order. The pros would be timing and logistics. They already have the big equipment in. They could handle all the leveling and ground prep now. They know where the underground lines and tanks are. The plan originally was to grass everything so it would be more cost effective to have them prep the site for the playground rather than rip up the grass later to do it. Rick said we would need to be very specific with regards to equipment surfacing and installation. Doug suggested we should stick with a manufacture that we like. We should eliminate the trash bins, tables and benches stick with just equipment. Bea suggested a town forum to discuss the landscaping plan and the playground. April 27 was a suggested date. Peggy will book a room for the meeting.

The committee discussed new fees for the ball fields. It was agreed to keep the \$25 fee for a single use and suggested to charge \$100 for adult leagues. Peggy will check with VH to see what they charge.

In other business, beach sticker will go on sale 6/21; the beach will open on 6/27. Doug went to LCB found the left boundary and measured 260 ft. It looks like the staff parking is part of the town property. He also said the area looks pretty trashy. It should be cleaned and raked and trimmed before the season start. Peggy will check how much is left in the budget as we get closer to summer.

Rick said the key for the doggie bags is in the lock box on the shed at LCB. He just replaced them but it will need to replace in the summer.

The committee will plan to be at the Arena at 12:30 to set up for the Family Skate.

The next meeting was set for April 1, 7pm

The meeting was adjourned at 8:35 pm.

Respectfully Submitted,

Peggy Stone  
Board Administrator
