

**WEST TISBURY PARKS AND RECREATION COMMITTEE
MINUTES FEBRUARY 3, 2010**

PRESENT: Bob Holt, Cheryl Lowe, Nicole Cabot, Doug Bardwell, and Peggy Stone

Minutes from previous meeting were approved with changes.

In planning for summer Bob will go over and paint the trim on the shed. Doug asked if we should have random drug testing for the summer staff. Bob said he is subject to them as a school bus driver, he says the state requires it. Peggy will check with Jen to see if the town has a drug policy in place. The school field needs fixing-Peggy will contact Brian Kennedy. The stump is still in the outfield at Manter; Doug will see if he can remove it. Cheryl asked about the grassy infields-Little League along with us clean up the fields.

In other business, Nicole would like to open a Park/Rec. face book page. It would be another way to get info. out quickly and it's free. Peggy will check with Jen. Nicole also had an idea for Halloween to decorate the stalls in the Animal barn and have the kids trick or treat through them, and then they could come to our party. Cheryl said we could have awards for the best decorated etc. Bob said the barn is filled with tractors and is like a museum. Nicole was thinking the old barn closer to the Ag Hall. That building is used as storage with the picnic tables and other equipment. Nicole will try to go to an Ag. Society meeting to get more info. The budget meeting with Fincom went well. The budget was approved without much discussion and the Fincom was informed of our warrant request for \$80,000 to rebuild the basketball court.

Nicole said the library would like to a joint event introducing the new playground. There would be storytelling, refreshments etc. She will keep us informed.

Nancy White from O'Brien & Sons stopped by to see how we liked the playground. She has ordered some replacement bars for the merry go round because she saw a bit of rust. They are being stored at the Highway Dept. building.

Bob informed the committee he will not be running for re-election. We need to put out an all call for a good replacement!

The next meeting was set for Wed, March 3, 2010 at 6:30pm
The meeting was adjourned at 7:40pm.
