**School Contract Negotiating Committee:** Skipper said in a change from previous negotiations each town would have a representative. Dianne suggested asking someone from the Finance Committee if they would be interested. If not, Jen will advertise for the spot.

**Roadside Trimming and Tree Cutting:** Jen said she had spoken to the local Mass Highway office about both issues and while there is a plan in place for roadside trimming for the fall, there is no plan in place for dealing with dead trees. A letter will be sent to the District 5 office asking that attention be paid to both. Copies will be sent to Rep. Madden & Sen. O'Leary's offices.

**Path on Edgartown/WT Rd.:** Prudy Burt noted that there is nothing indicating to people on bikes that they are approaching the intersection of Old County Rd. and she has seen a few near misses at that intersection. Skipper said he didn't want more signs so it should be painted on the pavement instead. Jen will talk to Richie.

**Shared Use Path Committee:** Skipper said he had read the letter from Ebba and was concerned that they had been meeting without a quorum. Jen was asked to contact Ebba about this and remind them also to keep minutes available to the public.
