West Tisbury Selectboard

Dear Members of the Selectboard,

Please accept the enclosed \$8000 donation to the Special Fund for Food and Utilities set up with the Town of West Tisbury by the Friends of the Up-Island Council on Aging. These funds come from donations from many people who live in and care about the seniors in the three up- island towns of Aquinnah, Chilmark, and West Tisbury. The Friends will continue to support these efforts to help up island seniors through our annual appeal, cooperative events with local restaurants and shops, and other fund raising events.

Sincerely,

Beth Kramer, President
