Dear Ms. Perry;

The West Tisbury Select Board is requesting a speed zone study in the 25 MPH zone at the intersection of Old County Road and the Edgartown-West Tisbury Road. This intersection is a known site for “near misses” due to very difficult site lines departing Old County Road while traffic heading towards Edgartown is accelerating after crossing the Mill Pond Bridge.

We would like the State to consider adopting Section 18B of Chapter 90 of the MGL and designating this a “safety zone” with a speed limit of 20 MPH.

Please let me know if there is anything else you need from me to move this request forward.

Thank you,

Jennifer Rand
Town Administrator
