PRIVATE SWIMMING POOL APPLICATIONS

TRAILER PERMITS:

TRAILER PERMITS NOT APPROVED:

OLD/NEW: The Board was reminded that the public health nursing contract has been offered to Island Health care for the remainder of the fiscal year, and that Island health Care is currently making adjustments to a few service categories to better suit the needs of the six towns. A revised contract is forth coming. Health Agent Johnson informed the Board that he recently received a phone complaint about the odor reportedly emitted from a glass of water at State Road restaurant. Health Agent visited the site, conducted a pH test which tested very acidic. Health Agent Johnson spoke with the owner who will be contacting their plumber to further investigate the overall quality of the water. Health Agent Johnson explained to the owner that acidic water corrodes and causes plumbing issues and requested that the water be tested and that copies of the results be forwarded to the BOH.
