OLD/NEW BUSINESS: The Board was informed that the annual flu clinic was taking place on the upcoming weekend, and that the Health Agent Johnson along with the other Agents would provide assistance and satisfy quarterly drill requirements. Board members were also informed of upcoming

examinations taking place on the 17th and the 23rd: soil field test and water operators' exam for Treatment (T1) and Very Small Systems, respectively. Board members were also informed that Health Agent Johnson had begun the Barn Inspections/Animal counts for 2017 which will require substantial time out of the office over the course of the next few weeks. One requests for a reduction in testing for a I/A FAST water system was briefly discussed. Health Agent Johnson informed the Board that test reduction requirements were not fully met and that it was not necessary to proceed with any further discussion at this stage. Requirements are that a total nitrogen load of less than 19 are provided for 4 consecutive test in order for the Board to consider a reduction in testing.

PERMITS APPROVED: Collins Heavener presented a request to the Board and was granted permission to allow Josh Aronie to operate his mobile truck at this years' Winter Farmer's Market. Other Winter Farmer's Market permits granted were as follows: Morning Glory, MV Smoke House, Linda Alley, Kitchen Porch, Little Rock Farm, Cinnamon Starship, Kathleen Cowley, Heidi Feldman, Grey, Barn Farm, Old Town Gardens, Island Bee Co., Debby Farber, Pie Chicks
