TITLE 5 INSPECTION REPORTS FILED: William M. Honey Hilary Blocksom 26-9

LANDFILL/REFUSE DISTRICT: The Board was given an update on efforts to contract South Jersey Industries for repair work needed at the solar area of the capped landfill, specifically requesting that all repairs be addressed before final approval by the Board of Selectman. The Board reviewed the monthly LDO numbers.

BEACHES/EM/MDPH: All the beaches are open. The Board reviewed the weekly Zika and local mosquito updates and provided an update on efforts to secure the high school as the location for the event..

ANIMAL REVIEW FORM: Ray Muldaur 36-43 is still dealing with conservation.

OLD/NEW BUSINESS: Board approved the new Agent's nomination as Inspector of animals and provided with summary of Regs314 4.0. Discussed a noise complaint involving a peacock. which required a visit and resulted in the suggestion that the owner address the problem which occurs during the summer over the course of several weeks . Meeting was joined by the principal and vice principal of the West Tisbury school who updated the board on the repair plans for their bathrooms. Repairs are currently being made, but the completion is dependent upon the successful sanitizing/cleansing of a critical portion of the plumbing system and the delivery of bathroom fixtures. Also discussed in relation to the school was the waiver that the school is applying for to assist with cost. The Board approved the new health Agent's request for the purchase of a new cell phone, and both agents provided reports on the fair.

Time was reserved for topics that the chair did not reasonable anticipate:
