The Board discussed the one resume for the Health Agents job and reviewed questioned that the Board will ask at this Thursdays meeting.

John left the room to make copies for Erik and Hans stated he should requise himself but wanted to discuss the effect of the swine regulation on his business, he went on to say that by making him wait possibly up to two weeks to move his pigs to a new location it may put him out of business. He stated that his business was a green business were land owners hire his pigs remove vegetation on a property. He said if the land owner had to wait they would hire someone with equipment that can get there right away. He said he is looking for a long term home for the pigs but has nowhere to take them and landowners want them off there property when they start to smell. Tim questioned Hans about not having a home for the pigs. John questioned the Board
