

PRESENT: Tim Barnett, Erik Lowe, David Merry and John Powers

WELLS APPROVED: An Emergency replacement well for John Athearn 32-54 was approved. The Agent reported that electrical inspector Thomas Colligan would like to have a note on permit that electrical work regarding wells needs to have an electrical permit.

TITLE 5 INSPECTION REPORTS FILED: Blue Sky LLC 11-109 and Suzanne Howes 32-16

LANDFILL/REFUSE DISTRICT: The Board discussed the LDO and the lack of movement to repair by the solar people.

ARBOVIRUS REPORT: John reported on the recent mosquito testing on the island.

BEACH TESTING: All beaches tested were within acceptable levels. John noted that Seth's pond is was little elevated this week but within acceptable limits

OLD/NEW BUSINESS: FOCUS has complied with most of the safety orders issued in a timely manner. The Board reviewed the basement plans for 30-2.32 and determined that they were not bedrooms in the basement according to the floor plans. The Board of Selectman failed to take any action against State Road Restaurant for using the basement storage area as a prep area, which violates their special permit. The Selectman will write a letter to the owners. The ongoing housing violation cases at 32-29 & 22-21.1 are progressing well. The Board discussed and approved the Alternative Systems reporting requirements for innovative and alternative technologies that will require the wastewater inspection services will report their inspection finds and test results to the Barnstable County tracking system that will in turn report the information to the towns. If there is a failure to inspect or a violation in the testing the will be notified by the tracking system. David moved, Tim seconded and the motion carried 3-0.
