The Board discussed the outline of a new food venture for Rebecca Miller of North Tabor Farms. The proposal lists 7A as a place she would like to do business after the business has closed (5:00 pm till) for the day. Ms. Miller would have to apply to the ZBA for a second business using the 7A location and the Board of Health. The Board discussed her proposal for juicing her vegetables at the Farmers Market. The Board felt the plan need to be more in depth with regards to the market plan.
