

PRESENT: Tim Barnett, Erik Lowe and John Powers

DWA APPROVED: Daniel Imbrogno 16-82. The application for Rafeal Louback was taken under advisement pending a site visit. Mr. Lou back has not responded to the request to do a site visit of the main house.

TITLE 5 INSPECTION REPORTS FILED: Joseph & Natalie Thibodeau 17-115

LANDFILL/REFUSE DISTRICT: The Board reviewed the monthly LDO numbers. John and Tim reported on last week's Selectman's meeting. The Selectman would like to see a reuse area at the Refuse District Transfer Station. They strongly urged the District to plan for this in Phase 1 of the renovation plans.

OLD NEW BUSINESS: The Board would like to see a deed restriction that states only 2 bedrooms be allowed on 16-190 owned by Elizabeth Dowd and a water meter be installed. The members discussed the plans for Beetlebung Beef regarding a freezer outside the building on the deck. It was moved by Erik seconded by Tim to not allow the freezer outside the building. Motion carried 2-0. The Board reviewed and approved the basement plan for Tim Doran 3-3.3. John reported that the fertilizer class is March 21st at the Harborview Hotel and that the MRC will have a booth at the Hospital Health Fair. John e-mailed the members the Tick Bourne Illness Gran report and the Tisbury water shed coalition report. The Board reviewed and considers the change of use for Warner 32-69 to be one bedroom as allowed on the previous plan. John reported that MDPH division of food protection had a complaint regarding New Lane Sundries. John will follow-up with DPH.
