Transportation of Alcohol

M.G.L. Ch. 138 Sec 22.

Any person may, but only for his own use and that of his family and guests, transport alcoholic beverages or alcohol, without any license or permit, but not exceeding in amount, at any one time, twenty gallons of malt beverages, three gallons of any other alcoholic beverage, or one gallon of alcohol, or their measured equivalent; provided, that any person may, without any license or permit, transport from his place of residence to a new place of residence established by him alcoholic beverages manufactured by him for his own private use.

Licensees for the sale of alcoholic beverages or alcohol, as the case may be, may transport and deliver anywhere in the commonwealth alcoholic beverages or alcohol lawfully bought or sold by them, in vehicles owned or leased by them or their employees, if each vehicle used for such transportation and delivery is covered by a permit issued by the commission; provided, however, that vehicles owned or leased by holders of permits under section nineteen A may be used only for the transportation of samples or of no more than twenty-four gallons of alcoholic beverages or alcohol; provided, further, that the salesperson possesses the proper invoice and that a record of these deliveries is kept available by the wholesaler for commission inspection. The permit fee for each vehicle shall be \$150.

Any railroad or car corporation or the owner or operator of any vessel or shipping company or any common carrier by air may, if authorized by a permit issued by the commission, transport and deliver alcoholic beverages or alcohol; and the fee for such a permit covering all the cars, vessels or aircraft thereof shall be \$1,500.

Any individual, partnership or corporation regularly and lawfully conducting a general express or trucking business or regularly and lawfully engaged in the business of leasing trucks for hire, with or without drivers, may, if authorized by a permit issued by the commission, transport and deliver alcoholic beverages or alcohol. The fee for such a permit shall be \$150. No holder of such a permit shall be granted a permit under section nineteen A.

Certified copies of any permit issued under this section shall be furnished at \$50 each.

The commission may make and enforce rules and regulations governing the transportation and delivery of alcoholic beverages and alcohol under permits granted under this section.

Every person operating a vehicle when engaged in such transportation or delivery shall carry the vehicle permit or a certified copy thereof; provided, however, that no permit shall be required if during such transportation there has not been a pickup or delivery of such beverages within the commonwealth and shall, upon demand of any constable, policeman, member of the state police or any investigator of the commission produce such permit or copy for inspection; and failure to produce such permit or copy shall be prima facie evidence of unlawful transportation and shall, in the discretion of the

THE ALCOHOLIC BEVERAGES CONTROL COMMISSION ("ABCC") ADVISORY

As you are all aware, applicants for a Special License commonly referred to as a "1-Day license" are required to purchase alcohol for their event from an authorized source, usually a licensed wholesaler in Massachusetts. In an effort to make this process a little easier for the local licensing authorities and the applicants, we are adding a link of the names and contact information for all of the authorized sources of alcohol for 1-Day licenses. When granting 1-Day licenses, local licensing authorities should consider issuing the license for three or four days to allow for proper delivery, storage and disposal of all alcoholic beverages purchased. This extension will ensure that 1-Day licensees comply with all storage requirements under M.G.L. c.138.

We are also strongly urging that applicants for a 1-Day license submit their applications to the local licensing authorities at least sixty (60) days prior to their event. This will ease the burden on the local licensing authorities, while allowing these organizations enough time to rectify any issues that they may have with their applications prior to their event. Please remember to forward a copy of all 1-Day licenses issued, to the Alcoholic Beverages Control Commission for our records.

We are making these changes as a result of suggestions from a number of the local licensing authorities. We want to take this opportunity to thank these individuals for their input and assistance in making the licensing process a little bit easier. At the same time, we would like to remind everyone that we welcome any suggestions, comments or feedback on any licensing matters. If you have any questions, please feel free to contact our Executive Director, Ralph Sacramone at 617-727-3040 *31.
