The Town of West Tisbury and Vineyard Power were selected by the Cape Light Compact as the Community First Partner for Martha's Vineyard, helping to raise awareness about the Mass Save (energy efficiency) Programs and to provide cost-saving energy efficiency upgrades to residents and small businesses in our town.

Please click on the links below for information on energy efficiency programs residents of West Tisbury are eligible for:

1. Participate in Mass Save, a program administered by the Cape Light Compact, for discounts, rebates, financing, and in some cases, free weatherization of your houses and conversion to heat pumps. [Sign-up for a no-cost Energy Assessment!](#)
2. Learn more about [Residential Energy Efficiency rebates & incentives](#) and [Energy Savings Tips from the Cape Light Compact](#)
3. For income eligible folks, save money on your electricity bill by signing up for a variety of [electricity bill assistance programs](#).
4. Sign-up for a [no-cost Energy Coaching session](#) with Vineyard Power to receive support in starting your electrification journey.
