We discussed the bell at Town Hall. It is not a sculpture, does not seem to be temporary, it is an historic artifact. The Town will apply for a certificate of Appropriateness.

We approved Town's application for 2 / 3 additional parking spaces as shown on submitted plan, and approved a split rail fence on two sides.

We approved Town's application for work at the Field Gallery as submitted.

We approved Richard Andre's application for a cobblestone apron at his driveway entrance as submitted. Map 31, Lot 16.

We approved Barbara Fales' application for demolition and reconstruction as submitted. Map 31 Lot 6.

Meeting concluded.

Respectfully submitted,

Nancy Dole, Secretary
