We met to approve applications of non applicability for John Alley, and for the MV Garden Club, and approved both of them. All of them are maintenance and involve no changes.

We discussed the bell at Town Hall, which was understood to be temporary and did not involve a sign. We decided to ask the town when they plan to apply for a permanent structure for the bell. Sean asked if the town had applied for the electric stand that is in the parking lot.

We looked at upcoming business, and the plans submitted by applicants scheduled for Nov 13 hearings.

CPC has approved our request for \$500 for signs for town hall and for a mailing. We talked about creating permanent historic markers similar to Mill Pond plaque that explained the origins of historic sites in the district, for example the original courthouse and stocks located at Old County Road triangle.

Meeting concluded.

Respectfully submitted,

Nancy Dole, Secretary
