

## Mill Brook Watershed Management Planning Committee

### Minutes of 4/10/17 meeting

Present: Cindy Mitchell, Chuck Hodgkinson, Tim Bolland, Rez Williams, Kristen Fauteux, Selena Roman and Prudy Burt.

Absent: Nancy Huntington

Also present: Bill Wilcox, Kent Healy.

No minutes were ready for approval at this meeting.

Cindy presented a draft of comments she plans to make at Annual Town Meeting on 4/11/17. These were approved by the committee with minor corrections, all in favor.

For the remainder of the meeting, the committee continued to review Draft #5 of the final report, getting as far as page 40.

Kristen and Tim will revise the BiodiversityWorks section of the report pending Greg Whitmore's final report of his identification of the Mill Brook invertebrates collected by BiodiversityWorks and his assessment of what the array of species collected means for water quality and habitat in Mill Brook. They will get their revised draft to Selena and Prudy, who will incorporate all comments on Draft #5 into a clean copy, Draft #6, for our next meeting on 4/24/17.

Kent shared a copy of his most recent dam safety assessment of Priester Pond with the committee.

Meeting adjourned at 6:05 p.m.

Submitted by Prudy Burt.
