

## Mill Brook Watershed Management Planning Committee

Minutes of 11/16/17 meeting, approved at our 12/7/17 meeting

Present: Selena Roman, Chuck Hodgkinson, Prudy Burt, Kristen Fauteux, Tim Boland

Absent: Cindy Mitchell, Rez Williams

Also present: Bill Wilcox

There were no minutes to approve (8/17/17, 11/2/17).

Members present got through a bit more than half of the new draft #9 that Prudy and Selena circulated to members in advance of this meeting. This clean draft made it easier to identify and remove repetitive text. Members present also agreed that all dissolved oxygen data (ESS Group, BiodiversityWorks) would be collated in a single section with its own key finding, rather than showing up in three different places in the report. Prudy offered to draft that section.

At 6 p.m., the meeting was adjourned; members stopped their review of draft #9 on p.23, 'Water Temperature Summary', and will take it up there at our next meeting on December 7.
