WEST TISBURY STATEMENT REGARDING THE CONSTRUCTION BAN

The towns on Martha's Vineyard and Nantucket are working with the Governor's office to resolve the issues of the construction ban. Until that time we strongly urge that everyone voluntarily comply with our order. The goal of this order is to keep the risk of infection on the island as low as possible to avoid a surge in Covid 19 cases that the hospital simply does not have the capacity to handle.

We thank you all for your patience.
