SECTION 3.2 PROHIBITED USES IN ALL DISTRICTS

3.2-1 Any building or structure or any use of any building, structure or premises which is injurious, obnoxious, offensive, dangerous or a nuisance to the community or to the neighborhood through noise vibration, odors, fumes, smoke, gases, dust, harmful fluids or substances, danger of fire or explosion or other objectionable feature detrimental to the community or neighborhood health, safety, convenience, or welfare.

3.2-2 Keeping of more than one motor vehicle which is, and for the immediately preceding thirtyday period has been, disabled, dismantled, or inoperative, or unregistered, unless such vehicle is enclosed within a building or is in an approved junkyard.

3.2-3 In addition, the following uses are specifically prohibited: golf courses, driving ranges, and ~~fast food~~ chain businesses.

SECTION 3.3 ACCESSORY USES

In addition to the principal uses permitted in a district, accessory uses which are subordinate and customarily incidental to such permitted uses shall be allowed on the same terms as the principal use (i.e. by right, with Site Plan Review, and/or by Special Permit), except that Site Plan Review shall be required for residential accessory structures that exceed 2,500 square feet, including barns or stables (unless exempted as agricultural structures), riding arenas, or other recreational facilities. Common driveways shall be considered customary accessory uses, allowed with Site Plan approval unless the principal use involves the review of a Site Plan or subdivision plan showing the common driveway in connection with a Special Permit or subdivision approval.

Definitions:

Mobile Food Establishment: A Mobile Food Establishment (MFE) is a food service operation permitted by Plan Review by the Planning Board and Select Board Review as the permit granting authority, that is operated from a movable motor driven, towed or propelled vehicle or portable structure that is able to change location.

Limited Retail Sales: Items sold at a location that is not permanent; ~~goods which have been manufactured, repaired, renovated or otherwise produced and which are sold at a temporary facility.~~

Chain Business:

A chain business is comprised of a group of stores (two or more) that possess the same brand name, adhere to the same corporate policies, sell the similar products, ~~and are all owned by the same parent company.~~ A Chain Business shall not include a business operating on the effective date of this amendment.

Heikki: Chain businesses-I think most national chains(McDonalds, Burger King, Friendlies, Chipotle, Subway,etc)are franchised businesses and not under the direct management of the parent company whereas the Black Dog, Vineyard Vines, etc stores may be under direct control of the owners. Maybe the definition should include something about franchises and three locations or more. A new franchise(Wacky Wok) could be setting up their first franchise in W Tisbury.

Heikki: Weddings- perhaps this should be more inclusive to include mandatory permitting for any venue(house, land) rented out for the big bucks for any purpose(weddings, cocktail wingdings, corporate get togethers, etc) except venues that would be grandfathered in such as Fisher's Flat Point Farm. I assume the Fishers have been getting permits for years for their events. Only those venues that had been permitted before the new bylaw would be allowed as grandfathered events so that anyone who had been running events without permits would not qualify . "One per profit event per calender year per property is allowed by right"

Bea: Perhaps the committee wants to change the number to three rather than two or more.
