RE: Lamberts Cove House, LLC #63 Boghouse Way, West Tisbury Assessor Parcel 3-7
VLS&E Job No. 2198

Dear Commissioners,

As requested, the following is the shoreline erosion data relative to the above referenced site. Shoreline data has been obtained from Coastal Zone Managements (CZM) online GIS database. The long-term erosion rate for this site is listed as 0.66 ft/year. The property is protected by a vertical timber bulkhead that was originally installed in the 50's and was rebuilt after Hurricane Bob in 1991. The shortest distance from the existing dwelling to the top of the coastal bank is 38'.

Please let me know if you have any questions or need additional information.

Sincerely,

A handwritten signature in blue ink, reading 'Reid G. Silva'.
