RE: Revised Definitive Plan submittal for #101 Old Coach Road - Assessor Parcel 16-118

Dear Board Members,

Attached is a revised plan for the above mentioned property. The owners have decided to create a six lot division instead of the three lot division originally submitted.

The revised plan now being presented is to subdivide the so-called "Bangs" wood lot into six building lots and one Affordable House Site.

Copies of this revised plan are also being filed with the Board of Health and with the Town Clerk.

Sincerely,

A handwritten signature in black ink that reads 'Glenn F. Provost'. The signature is written in a cursive style with a large initial 'G'.
