Subject: ZBA Special Permit Application - Site Plan

Hi Alex, I am writing to let you know that the ZBA will need a more thorough and updated site plan for your Special Permit application. There are two special ways on the property that are not accurately shown on the submitted plan and the designated parking is drawn in by hand. Please submit a site plan by a registered surveyor showing the total property with the existing buildings, including the proposed project (parking areas and fencing) with all setback distances and the location of the Stoney Hill Road and Old Mail Road Special Ways. I have scheduled the ZBA hearing for August 12th at 5:35pm. If the plan is not ready by the day of the meeting, the hearing may be postponed to a future date. Thank you, Pam
