We (I) are (am) hereby applying for a Special Permit as required by the Town of West Tisbury to allow for outdoor dining in the English Garden located at 90 Manaquayak Road.

Relating to the proposal, please find attached the following: application cover page, plot plans, and aerial photo showing the dimensions of the limited outdoor dining space.

We feel that that outdoor dining would add significant value to our guest experience and would not in any way disturb our valued neighbors. It has been our focus since purchasing the property in January of this year to build a strong relationship with the community, and we would not be applying for this special permit if we thought in any way it would hinder our relationship with our neighbors.

Dining will be limited to 5 PM to 9 PM and a MAXIMUM of 25 to 30 guests will be seated at any one time. In addition, there will be NO amplified music.

As discussed during our wine & beer license meeting in January, our long-term goal of this property is to limit our outdoor wedding disturbances (all weddings this year were contracted by the previous owners), and to build a top-notch, fine dining experience for our guests and neighbors, which per recent reviews we are succeeding upon. That is exactly why we plan to remain open through most of the calendar year.

We ask that you please continue to put your faith in us as responsible operators and understand that without approval to this special permit our business would be devastated and our long-term plans would need to be rethought.

Thank you.

Jon & Stephanie Saunders
