Hi Pam - Thank you for letting me know. I am aware of that condition, but I do think it's important to note because of covid we have not had a speaking event since the issuance of the license. Therefore there are no events to review. This point came up as the selectmen were approving the license. The next speaking event will be either Sep or Oct this year. We do not have the date yet, but I can share it as soon as I do. Is it possible to review this after that time? It seems to make the most sense, but please let me know.

Thanks for the help. Have a nice Easter.

Hi John,

The Zoning Board of Appeals would like to review "Outdoor Amplified Speaking Events" as referenced in Condition #7 of your Special Permit #2019-33, (see attached). This review should have been scheduled last year but due to the pandemic, was postponed.

I would like to put you on the ZBA agenda for the meeting on April 22, 2021 at 5:55pm so that the review can take place. Please contact me with any questions and to let me know that you are able to attend. Thank you.

Sincerely,

Pam
