Hi there,

I am writing to voice my support of Ryan Begley of 140 Old Holmes Hole Road operating a custom tattoo studio from his home. I have known Mr. Begley, who grew up on the island, for more than 20 years. He is responsible and community-focused and I am certain a business such as his would have no negative impact on the surrounding residential community or roadway. On an island where overhead for commercial space (nevermind living space) is so very high, allowing someone to operate a small business out of a home studio can make all the difference in being able to make a living here.

Thanks for your consideration,  
Aubrey Ryan  
19 Briarwood Lane, West Tisbury
