Attention: Larry Schubert

I am writing this letter to express my concern regarding the construction of a large pool, garage, shed and open-air pavilion at 72 Vineyard Meadow Farms Rd. We feel the magnitude of this development will impact the surrounding area. It seems excessive for such a small lot.

Sincerely,

George & Maria Churchill

After reviewing the garage plan you sent it is clear to me the intent is to build a guest cottage calling it a garage. I am also concern the height of the "cottage" will be visible from my house.
