Hi Larry,

This is Alexander (Sandy) Moore, I'm the Eden's abutter to the north.

I'm mainly concerned that they will want to place this building closer than the 50' setback to my property line. I don't have a plan/map but it didn't seem like there was room for this building without coming closer to my property line or infringing on the setback from Middle Point Cove. Maybe the garage is being put somewhere else and I don't need to be concerned.

Thanks,

Sandy
