**Subject:** David J Reed's application for Wedding Venue at 371 Edgartown Road

To: Larry Schubert, Chair

I've received the notice of public hearing on David J Reed's application to operate a wedding venue business but am unable to find the referenced application. The referenced link wouldn't seem to allow access to the Zoom meeting either.

Could I ask that you send the link to me personally?

I'd like to see the application to see what is being proposed. In the past, there has been amplified music and noise of large parties from that direction. In those cases, their music becomes the music for a large surrounding area throughout the afternoon and/or evening.

Thank you.
