Subject: Caskey Property at 65 Jennie Athearn Rd. Map 38 Lot 2, RU District

Dear Larry Schubert, Chair, Since my wife Sarita Valenti and I are one of the closest abutters to the above-mentioned property, I want to state that we have no comments or questions about their desire to construct a guest house with an attached garage on their property. We wish them good luck and godspeed in finishing their project.

The Caskey's have been our friends and neighbors for years in their old residence adjacent to property and we look forward to them becoming our neighbors again on the other side of our property.

Sincerely yours,

Francis M. Valenti
