

Memo to board

Date: 2/10/21

Regarding Gomez application

Boardmembers: I received a phone call from David Desmarais who is the closest abutter to the proposed new garage. He stated that he had a conversation with Mr. Gomez regarding the setback relief being requested and that Mr. Gomez agreed to reduce the request to 5' of relief instead of 10'. Mr. Desmarais cannot be at the Zoom mtg due to the technical aspects of joining so called to express his thoughts over the phone.
