Stanwood Application*

*Dear Board Members,*

*We have been neighbors to David and Eleanor Stanwood for 36 years,  
and have known John since he was a "wee Bairn."*

*We Wholeheartedly support his endeavors to create housing for Katie  
and Himself, thereby also maintaining their presence in the fabric of  
our community*

*These are fraught times in the housing market and any step to  
remediate this situation is a step in the right direction.*

*Yours sincerely,  
Simon and Marion Hickman*
