To the West Tisbury ZBA:

(We don't have an email address for Kim Leaird; please forward as appropriate).

This is with regard to the 5:35 agenda item scheduled this Thursday per https://www.westtisbury-ma.gov/sites/g/files/vyhlif8396/f/agendas/zba_12-14-23_agenda.pdf.

We are direct abutters across the street, have met with Maik and Kristine and toured the property. In our view this is a minimal change to which there should be no objection. There is no alteration of the footprint and we would likely have been unaware had we not received the notice. The two businesses have been operating for a while and pose no imposition on the neighborhood. We have no concern about the work and ask that you approve the permit expeditiously.

Thank you.
