**To:** Zoning Board of Appeals  
**Subject:** Public Hearing 3/16/23 Middle Point Bend, LLC

To the Zoning Board of Appeals:

Please do not approve the special permit for an inground swimming pool, spa and shed for 216 Middlepoint Rd., Map 39, Lot 7 & 8. There has been so much building on those parcels already that there's practically nothing left untouched on the fragile point. I'm concerned about chemicals from the pool, the high water table, and degradation of the land.
