**GREENBERG POOL**

170 Pond Road West Tisbury, MA

San Juan Lake Superior fiberglass swimming pool

Pool dimensions are 31' x 16'

Pool location meets code requirements for setbacks from existing septic tank, leaching field, and property lines.

Pool to be installed at existing grade with 6' of bluestone patio between existing deck and pool and 3' of bluestone patio on two other sides which includes bluestone coping surrounding the pool. Pool equipment to be installed on a 4' x 8' concrete pad inside a sound insulating free standing 10' x 12' shed, 10' behind the far/east end of the pool in the lot plan drawing, to provide sound insulation per town regulations. Pool area will be enclosed by a pool code approved 4' fence constructed of cedar or pressure treated posts and black 1"x1" wire mesh with pool code approved automatic gate latches. Pool alarms will be installed on any/all doors and windows opening into the pool area.
