Hi Pam,

Thanks for the call this morning. We would like to request that our application for the above referenced property be amended to include section 11.2-2 of the bylaw for accessory structures on a non-conforming lot greater than 676 SF.

Also, we had made a mistake on the application with the street address: The correct address for the property is #55 Fishhook Road.

Enclosed is a site plan showing the access to the barn, it will be infrequently used and is intended to be grass. I have also confirmed with the owner that there will be no sink or bathroom in the barn.

Please let me know if there are any other questions.

Thanks,

Reid G. Silva, PE PLS

VLS&E Job No. 2236-2

Project Description

Pursuant to Article 4 Section 4.2-2(D.)(4.): To construct a 30' by 48' non-habitable, detached accessory structure within the 50' property line setback.

- Proposed structure will be used as a garage and shop space. The homeowner is a metal worker and carpenter - the building will house a mill, lathe, woodworking tools and machinery, etc. It will also be used for storage of a 26' wooden sailboat during the Winter.
- Proposed barn requesting 40 ft. property line setback relief.
- Proposed barn location will not be visible to the public or any right of way.
- Existing storage shed to be removed.
- Septic design plan to relocate the existing system will be submitted to the Board of Health if the Zoning Board of Appeals finds the proposal acceptable.
