To whom it may concern,

I received notice of a public hearing on Dec 14, 2023 @5:55 p.m. about an application for Special Permit at 200 John Hoft Rd, pertaining to the construction of an inground pool on the property owned by Dawn Porter.

I don't see the need to come in person on the 14th, but I did want to write to let the board know that I support this project. I have no problem with it.

Thank you,
