**RE: Building Code Enforcement Official Certification**  
**Cert#: BO-2046(22-06-2046)**

Dear Jeffrey:

We are pleased to inform you that on June 7, 2022 the *Board of Building Regulations and Standards* through its *Building Official Certification Committee* has voted to approve your application for certification as a **Local Inspector**. Please find your certificate in verification, enclosed. On behalf of the Board and the Committee, we offer congratulations on your certification.

Also enclosed, please find a copy of 780 CMR R7, *the Rules and Regulations for the Certification of Inspectors of Buildings, Building Commissioners and Local Inspectors* and a copy of *the Building Official Certification Committee's Policy for Maintenance of Certification Status*. Please take the time to read each document carefully, since each contains information essential to your continued certification.

It is your responsibility as a certified building code enforcement official to maintain said certification by attaining at least forty-five (45) hours of acceptable continuing education credit for each three (3) year period according to 780 CMR R7.3.1. Continuing education requirements.

We thank you for your interest in the certification program, and wish you much success in all future endeavors.

Very truly yours;

**BUILDING OFFICIAL CERTIFICATION COMMITTEE**
